

## Clinical Fellowship RFP – Transthyretin Cardiac Amyloidosis (ATTR Amyloidosis)

### I. BACKGROUND

Alnylam Pharmaceuticals, Inc. (Alnylam) is committed to supporting innovative, independent projects that address unmet educational needs and are intended to improve outcomes in the patient communities that it serves.

This Request for Proposal (RFP) for a Transthyretin Cardiac Amyloidosis Fellowship Grant (Fellowship Grant) seeks to encourage the training of healthcare professionals to recognize, diagnose and treat ATTR amyloidosis and to further research in this field.

All proposals are independent and the sole responsibility of the requesting organization, and Alnylam has no influence over any aspect of the RFP.

### II. SCOPE

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| <b>RFP Number</b>                 | ALNY-FELL-TTR-01                                      |
| <b>Issue Date</b>                 | October 1, 2024                                       |
| <b>Submission Deadline</b>        | December 20, 2024                                     |
| <b>Notification Date</b>          | January 31, 2025                                      |
| <b>Fellowship Start/End Dates</b> | July 2025 to June 2026                                |
| <b>Therapeutic Area</b>           | Transthyretin-mediated Amyloidosis (ATTR Amyloidosis) |
| <b>Geographic Scope</b>           | United States                                         |

### III. AREA OF EDUCATIONAL INTEREST

|                                  |                                                                                                                                                                                                                                                                                                                                                                                            |
|----------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Educational Area of Focus</b> | This Fellowship Grant will support established clinical programs aimed at mentoring and enhancing the training of health care professionals in the diagnosis, treatment and research of ATTR Amyloidosis focusing on cardiology and cardiovascular disease, to help advance the translation of science into quality patient care in close collaboration of a multi-disciplinary care team. |
|----------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

### IV. FUNDING AVAILABILITY AND REQUIREMENTS

|                                                |                                                                                                                                                                                                                                                                                                                                                                                                    |
|------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Funding Availability &amp; Requirements</b> | <ul style="list-style-type: none"><li>• Individual applicant institution may request up to \$95,000 USD that will be considered for funding a one-year clinical Fellowship Program.</li><li>• Funding may only be used to support salary and Fellow benefits and as specified in Section VII below.</li><li>• Grant funds must not be used for institutional overhead or indirect costs.</li></ul> |
|------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## V. APPLICANT INSTITUTION REQUIREMENTS

|                                           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|-------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Applicant Institution Requirements</b> | <ul style="list-style-type: none"> <li>• Must be an ACGME-accredited U.S. academic institution</li> <li>• Applicant institution must have an established and active Cardiology Fellowship Program that includes educational interactions with an interdisciplinary team in review of cases and relevant training in ATTR</li> <li>• Must submit a complete application with details stated in Section VI below</li> <li>• Alnylam must <b>not</b> be notified of the name of any potential Fellow during the application process. The grant funds will be awarded to the institution and not to any individual.</li> <li>• Must execute the Letter of Agreement with Alnylam before the start of the Fellowship Program.</li> </ul> |
|-------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## VI. FELLOWSHIP RFP REQUIREMENTS

|                                            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
|--------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Fellow and Program RFP Requirements</b> | <p>Please include the following and other relevant information in the RFP:</p> <ul style="list-style-type: none"> <li>• Applicant institution must ensure that the selected Fellow is a U.S. citizen or legal permanent resident</li> <li>• Applicant institution must ensure that the selected Fellow hold an active M.D. or D.O. license in good standing</li> <li>• RFP must include the details of the Fellowship Program, including but not limited to, a curriculum that includes:             <ul style="list-style-type: none"> <li>(i) training opportunities with multi-disciplinary teams,</li> <li>(ii) clear methodology for increasing skills and competencies of Fellow, as well as effective monitoring and assessment of competencies detailed in this RFP,</li> <li>(iii) Fellow engagement in both clinical care and research and/or lab activities, and</li> <li>(iv) the program timeline.</li> </ul> </li> </ul> |
|--------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## VII. SUBMISSION, PAYMENT, RECONCILIATION AND SPEND TRANSPARENCY

|                            |                                                                                                                                                                                                                                                                                                                                          |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Submissions</b>         | <p>Applications must be submitted through Alnylam’s grant portal <a href="https://alnylam-grants.steeproclinc.com">https://alnylam-grants.steeproclinc.com</a> or through Alnylam’s corporate website: <a href="https://www.alnylam.com/about-alnylam/grants-and-giving">https://www.alnylam.com/about-alnylam/grants-and-giving</a></p> |
| <b>Notification</b>        | <p>Requesting institution will receive an email notification of approval or denial directly from the electronic funding portal.</p>                                                                                                                                                                                                      |
| <b>Payment</b>             | <p>All approved Fellowship Grants are subject to the electronic execution of a Letter of Agreement. Upon execution of the Letter of Agreement and confirmation of required Fellow information post-approval, an electronic payment will be released to the organization.</p>                                                             |
| <b>Reconciliation</b>      | <p>A reconciliation of the Fellowship Grant payments and program activities must be completed and sent to Alnylam as outlined in the Letter of Agreement within 90 days of the Fellowship Program end date.</p>                                                                                                                          |
| <b>Contact Information</b> | <p>All questions related to this RFP should be directed to the Alnylam Grants and Giving Office at <a href="mailto:grants@alnylam.com">grants@alnylam.com</a></p>                                                                                                                                                                        |

## VIII. TERMS AND CONDITIONS

1. Alnylam does not provide Fellowship Grants for the following activities:
  - a. Grants or payments to individuals, e.g., HCPs or physician group practice organizations;
  - b. Organizations or charitable foundations nominated by an HCP;
  - c. Fees for the engagement of HCPs or healthcare organizations to provide services;
  - d. Organization building funds or equipment;
  - e. Website development, promotional programs, religious or social programs, grants to political parties, social events, or charity fundraising;
  - f. Research or clinical studies; and
  - g. Medical missions to foreign countries and travel grants to US HCPs to attend scientific conferences.
2. Alnylam may request supplemental information from applicants, and Alnylam reserves the right to reject incomplete applications.
3. This RFP does not commit Alnylam or its affiliates to award a grant of any size, nor to pay any costs incurred in the preparation of a response to this request. Alnylam reserves the right not to fund any request. No grant has been awarded until a formal grant agreement has been fully executed between Alnylam and the applicant organization(s).
4. Alnylam adheres to all applicable U.S. and state spend transparency laws, codes, and regulations, and, as a result, will appropriately report funding related to this grant, when and as required. Alnylam may require receipt of required information in a certain format from recipient organization(s) in order to facilitate disclosure reporting.
5. Alnylam reserves the right to verify all information provided by an organization in its grant application.
6. Only the Alnylam Grants and Giving Office is authorized to provide information related to this RFP. For questions, please contact [grants@alnylam.com](mailto:grants@alnylam.com).
